

SPONSORSHIP OPPORTUNITIES

PUT YOUR NAME ON THE BUSIEST COURTS IN WICKLOW.

Three courts on the Glebe, 2,100+ registered players, and a league that 250+ of them play in every week.

THE OPPORTUNITY

A YEAR OLD, AND ALREADY THE PLACE WICKLOW PLAYS.

W7 opened in October 2025 with three courts on the Glebe. Twelve months on it has 2,100+ players registered, 800 bookings a month, and a box league of 100 teams whose standings 740 people checked online in the last three weeks. Next door, a new all-weather astro pitch opens soon, with our courts in full view of the pitch and its supporters. Your brand goes where those people look: on the court, on the league site, and in every result email.

THE CLUB

Three floodlit courts on the edge of Wicklow Town, open 07:00 to 22:00, seven days.

Bookable on Playtomic, the app every padel player in Ireland already has.

THE LEAGUES

A 20-box league with 100 teams, and a summer league of 60 teams in 5 divisions with knockouts and a finals day. Run on the club's own site, not a spreadsheet.

THE NEIGHBOURS

A new astro pitch being built alongside the courts and opening soon. Players, teams and supporters on the pitch look straight onto our courts and their signage.

THE VENUE

THREE COURTS, FLOODLIT, ON THE GLEBE.

THE COURTS

Three full-size panoramic courts with glass backs and seating along the side. Floodlit, so the evenings run to 22:00 all winter, which is when the leagues play.

THE ASTRO PITCH

A new all-weather pitch is being built directly alongside, opening soon. It brings its own teams, training nights and supporters to the same ground, all with a clear line of sight to the court signage.

THE GLEBE

On the edge of Wicklow Town with parking at the door, five minutes from Main Street and the N11. Players come from Wicklow, Rathnew, Ashford, Greystones and the villages around.

WHY PADEL, WHY NOW

THE FASTEST-GROWING SPORT IN IRELAND, IN A TOWN THAT TOOK TO IT.

IT KEEPS GROWING

W7 adds 100–170 newly registered players every month, and has done for all of 2026. That is a new audience for your brand every few weeks, not the same faces.

IT IS SOCIAL

Four to a court, mixed ability, easy to pick up. Players book with friends, arrive early, stay for a coffee. A sponsor is seen in a good mood.

IT IS HABITUAL

A league game is a fixed date. 250+ players have one in the diary every week of the season, and check the table between games.

IT IS EARLY

Padel in Wicklow is a year old. The brands on the courts now are the ones players will associate with the sport as it grows.

WHO THEY ARE

Working-age adults from Wicklow Town and the surrounding villages: the people who buy cars, houses, insurance and dinner locally, and who come to the same place every week.

AND SOON

The astro pitch alongside adds its own teams and supporters to the same ground, on the same evenings, facing the same signage.

Figures from the club's booking system for July and August 2026, the two busiest months on record. Occupancy is court-hours sold against 45 a day across three courts.

THE LEAGUES

250+ PLAYERS WITH A GAME IN THE DIARY EVERY WEEK.

AUTUMN/WINTER BOX LEAGUE

20 boxes · 100 teams · 200 players. Five teams a box, everyone plays everyone, promotion and relegation each cycle, seven cycles to April. Players enter their own scores online and confirm their opponents' with a tap: 80 results entered by players in the first three weeks, and 87 of 100 teams have used the site.

SUMMER LEAGUE 2026

60 teams · 5 divisions · 330 fixtures. A round-robin season from June, then 24 teams into two tiered knockouts and a finals day at the club on 27 September, the club's first birthday.

EVERY RESULT, AN EMAIL

When a score goes in, both teams get an email with the result and the box table. A title sponsor's name is on every one of them.

A STAND-IN LIST

Players outside the league put their name down to fill in when a team is short. More people on the courts, more people on the site.

A FINALS DAY

Both tiers play their finals on one Sunday at the club, with the whole membership invited. The natural home for a tournament sponsor.

FINALS DAY · 27 SEPTEMBER 2026

THE CLUB'S FIRST BIRTHDAY, AND BOTH FINALS ON ONE SUNDAY.

WHAT IT LOOKED LIKE

Both tiers played their finals at the club, the 24 knockout teams and their supporters came, and the birthday brought families, a food truck and a full car park. This is the crowd a finals-day sponsor is put in front of.

WHAT A SPONSOR GETS

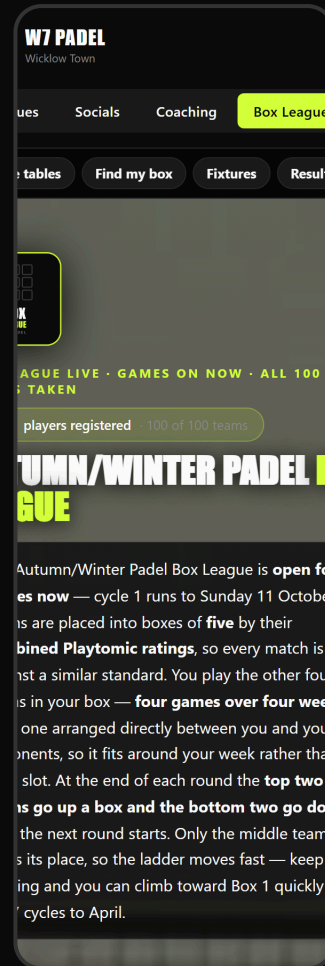

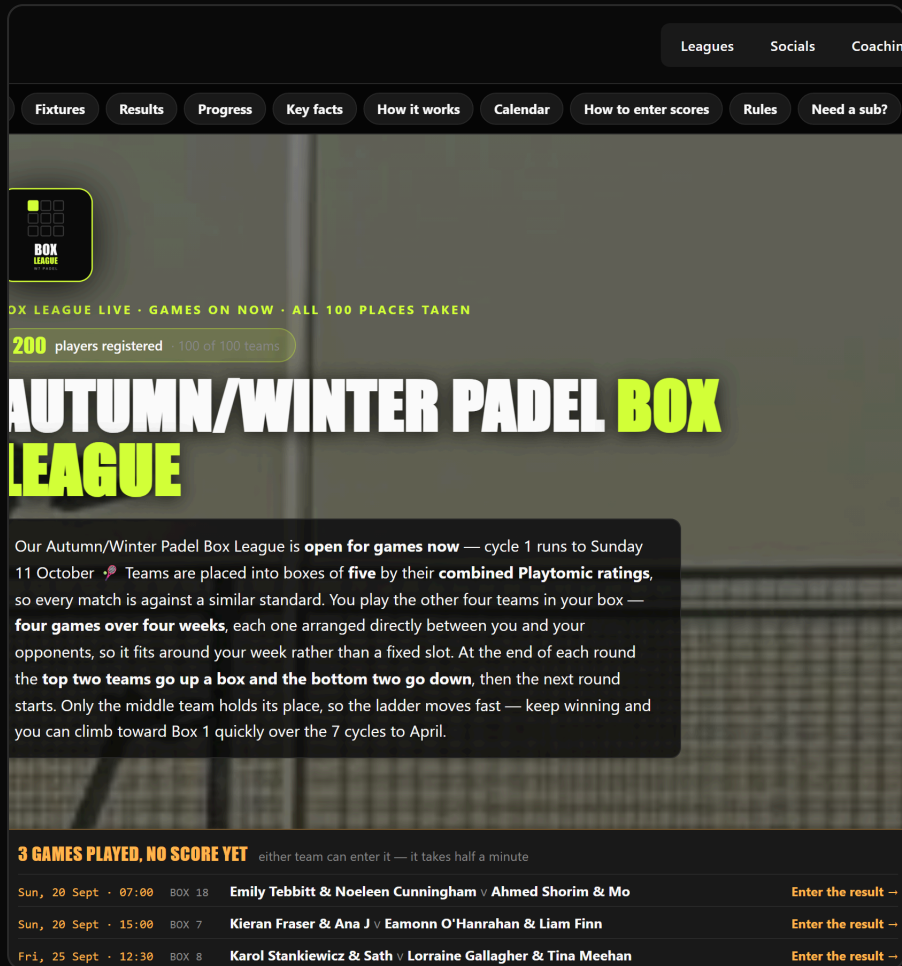

The day named for them, signage and a stand beside the courts, their name on the finals page and the bracket, on the invite to every league player, and on the photos and results afterwards.

TWICE A YEAR

A summer league finals day and a box league finals day, each with the whole membership invited. The birthday made this one bigger; the next is the box league final in April.

THE WEBSITE · league.w7padel.com

THE CLUB'S OWN SITE, AND THE PAGE EVERY LEAGUE PLAYER CHECKS.

WHAT IS ON IT

Every box table and fixture, the summer league and its knockouts, results as they are confirmed, the stand-in list, socials and coaching. Built and run by the club, on the club's own domain.

WHO USES IT

740 unique visitors and 5,900 page views in the three weeks since the box league opened. 3,200 of those views were the box tables - the page a sponsor's name sits on.

WHERE A SPONSOR APPEARS

On the box pages and every table for a title sponsor. On the court's name wherever it is shown for a court partner. On the finals-day page and bracket for a finals sponsor. In every result email.

YOUR NAME ON THE COURT, EVERY SESSION, EVERY DAY.

[YOUR BRAND]
